With the change of the legislation on chemicals from 10/30/1994, the product falls under the regulation "no longer polymer"

Officially listed in / Quality conforms to

ICIC: POE Laurylether (Ingredient Code 105370)

JPXIII: Lauro Macrogol

Product properties

Appearance

Arlypon® F-T is a less to slightly yellowish cloudy liquid.

Example of use

On account of its viscosity-increasing properties the product is used as thickener in surfactant preparations. In formulations of (highly) viscous formulations, Arlypon® F-T can be used for instance instead of fatty acid alkanolamid.
